# About US

## Mission and Vision

We set the mission of providing sophisticated interior designs and products bringing the comfort and inspiration for users.

We head to the objective to become one of the best interior design companies in the world.

## Products and services

We, proud of our sophisticated, functional and unique designs which created company's reputation in Vietnam market so far.

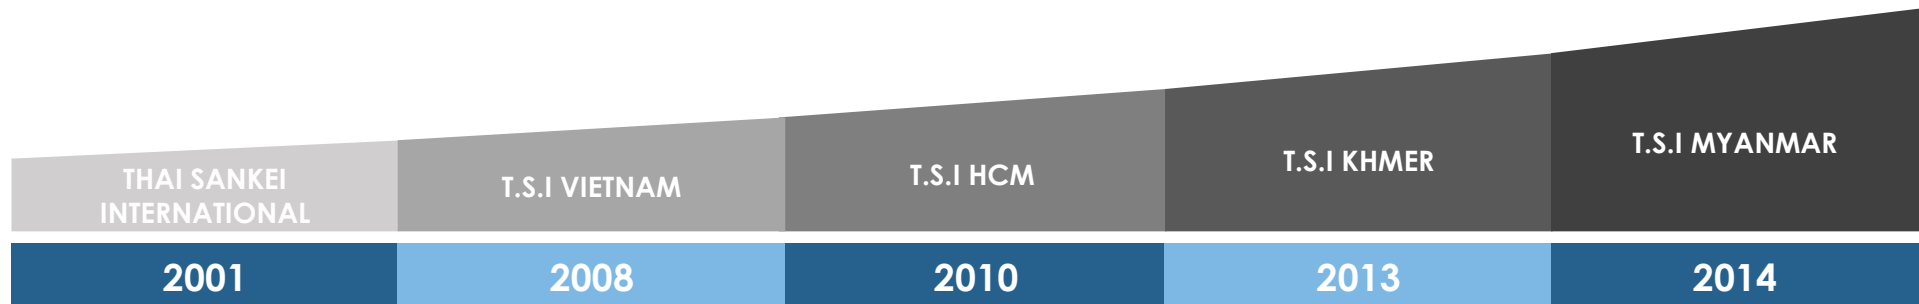

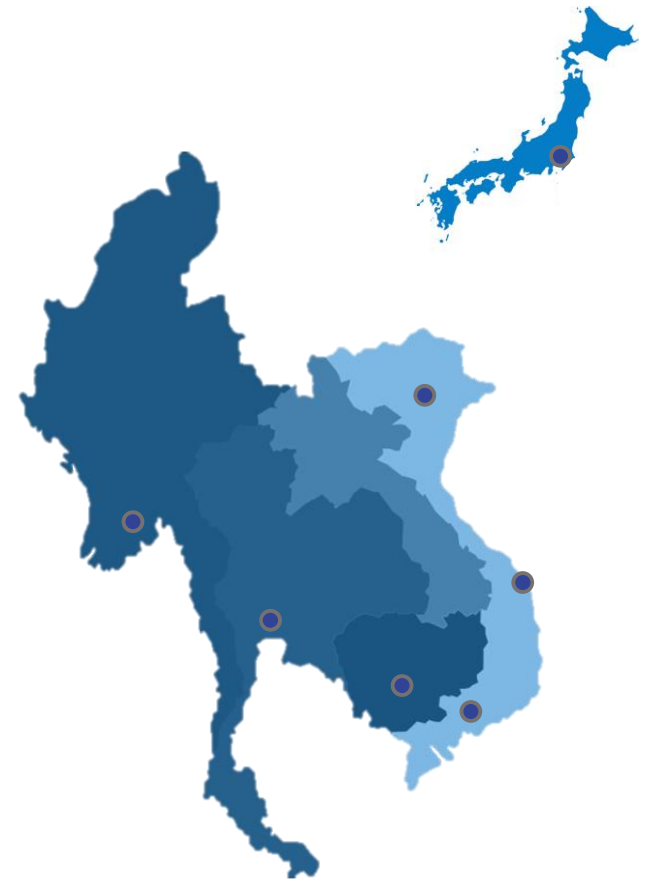

Besides the construction and interior designs, we are also the sole distributor for OKAMURA office furniture products, which are known as the top quality of material and design, in Vietnam market.

# Company's HISTORY

**Thai Sankei international:** is established in November, 2001 in Bangkok, Thailand by Mr. Minoru Shiotani and partners, a company specialized focus on design interior products. With professional design staffs having many year experience in the field, company achieved trust and favor from clients about quality as well as price in Thailand.

Following the initial success and basing on customer's demand, Thai Sankei International is expanded to Vietnam market in Hanoi in 2008 and Ho Chi Minh City in 2010

**T.S.I Vietnam:** satisfied large demands of client in Vietnam for interior design and decor work. The proof is that we have many clients from different sectors as local firms, banking institutions, oversea representative offices, hotels, restaurants, schools, showrooms, factories as well as resident sectors.

# Our **SERVICE**

## **Simple and Practical interior design**

Staff with practical experience will listen to the customer's request and propose the best layout and design according to the actual application. We can propose various grades according to your budget.

## **High quality interior product**

For the last 10 years, we have been working with customers who demand Japanese quality interior. The experience value and the a lot of ideas cultivated there exceed other interior companies.

## **Local furniture /Japanese furniture**

We have many good quality furniture suppliers in Vietnam. And we can supply Japanese brand furniture with excellent durability and design as an agent.

# Project FLOWS

# Distribution **PARTNERSHIP**

In order to protect Japanese quality,  
we have cooperation with various  
Japanese suppliers.

We will continue to looking for new  
partners and strive to build win-win  
relationships.

人を想い、場を創る。  
**OKamura**

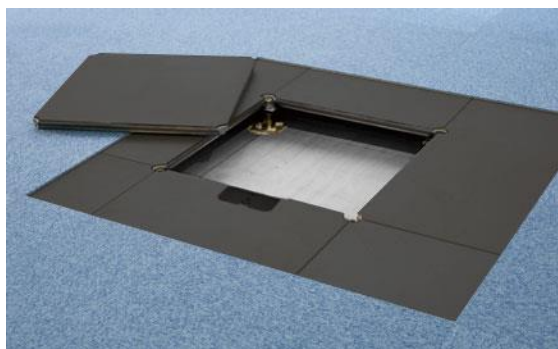

In Okamura, we have been providing high quality products and services to our customers since the establishment. We integrate collective expertise and technology from all of our business domains from beginning of development to the end of manufacturing.

**Combi®**  
コンビウイズ株式会社

Combi has since its founding in 1957 developed products and services meant to serve as an additional means of care delivery conceived from the perspective of caregivers for babies and children.

**ナカ工業**  
NAKA CORPORATION

NAKA Corporation founded in 1932 in Sapporo City, Hokkaido, Japan.

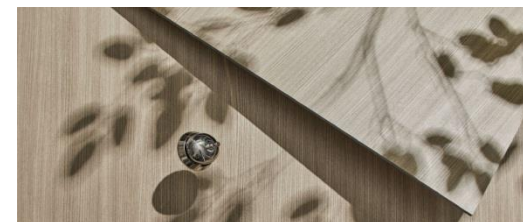

In the following over eighty years, NAKA Corporation exploited high-end products in order to fulfill and satisfy customer's desires. With continuously improvement and innovation on products, NAKA established its leading status in the industry.

**TOLI**  
TOLI Corporation

In 1919, TOLI Corporation started its operation in Itami, Hyogo prefecture as the first linoleum manufacturer in Japan. By developing products such as vinyl tiles, vinyl sheets, and carpets, TOLI became recognized as a major floor covering company. Later on, TOLI also began to make curtains, wall coverings, and many other products, and became successful as a general manufacturer of interior goods.
